Richard Button

Sales Representative
Rivers Locking Systems (Australia) Pty Ltd (Austral Monsoon Group)
50 Orchardleigh Street,
YENNORA, NSW 2161

Dear Richard,

I wish to confirm with you in writing that, Rivers Locking Systems (Australia) Pty Ltd, have been assessed as compliant with the specific Department of Education and Training requirements within the: Schools Facilities Standards - Specification Standards - section '**SS 455 Door Hardware - Enclosure**'.

The '**Rivers Model Double Series MDS1 to MDS6**' have been approved to be included as a proprietary item, listed within the '2 Point Horizontal Locking Bar ('Security D')' section of the above Specification Standards.

Your company's name will appear in the latest revised issue of the Schools Facilities Standards - Specification Standards - section '**SS 455 Door Hardware - Enclosure**', when this section is updated and distributed in the near future.

If you have any further enquiries in regard to this approval letter, please do not hesitate to contact me as per the details below.

Yours sincerely,

 13/5/2010 .

Chris Boorman | Research Project Officer |
